Dec. 2, 1976

Dear Mrs. Luegring,

I was delighted to hear from you and thank you for the information.

First of all, I am a Mc Clure and not a researcher. My father was George Alexander Mc Clure, oldest child of Samuel Halbert and Mary Ann Stout Mc Clure. I was born in Grover Hill, Ohio, the last of seven children and moved with my parents to Chelsea when I was eight years old.

I had another reply to my inquiry a few years ago. That was from a descendant of James Neely Mc Clure who lives in Lima, Ohio. I have the information you sent except for a few details. I wonder if you have any records before Alexander J. Mc Clure.

I have a biographical sketch of the Thomas H. Tunget who married Elizabeth N. Mc Clure. If I can get to a good copy machine I shall see that you get a copy.

According to my records, Alexander J. Mc Clure's father was Moses Mc Clure (Mc Cleur) of Harrison Co., Ky., and Sarah (Sallie) Mc Corkle also of Harrison Co. Ky.. Moses died around 1810 and Sarah around 1823. There were 10 children. Nathaniel and Samuel fought in the war of 1812 and Nathaniel was killed in that war.

In my grandmother Mc Clure's family Bible found in her home after her death was the following quote: "Grandpa Mc Clure's parents came from Scotland to Stanton, Va., in the Blue Ridge Mts. Came to Boonesville, Ky. Fought with Boone near Cincinnati. Fought with

Indians near Detroit over on Canada side near Windsor. 2 brothers killed there and burried there. Thomas is dad's grandpa and is burried 7 miles north of Louisville at Cynthiana, Ky. Grandpa ferried over to Cincinnati when dad was 4 yrs. old." This is exactly the way it was written so I don't know where to go from here. Thomas could be the father of Moses.

Have you seen the History of Grover Hill, Ohio (Latty and Washington Townships of Paulding County, Ohio) by Laurence R. Hipp? In that there is a picture of the Alexander (Jr.) J. McClure family. It states that he fought in the Civil War, as did his brother Samuel H., my grandfather. I faintly remember his wife, Ardena Rumbaugh.

I should appreciate any additional information you might have, and if I learn anymore I shall see that you get it.

Again, thanks for your letter.

Sincerely,

Mrs. Ruth I. (George) Atkinson

LENTEN CALENDAR LITURGY NOTES

LENT 1977

Lent is a time of renewal. It is a "change of heart" not just a time to do something "HARD". If LENT is to happen at all, it will happen "IN US" and not "TO US". A lenten practice is something we already should be doing, but now, try to do better. It's the forty days and forty nights we need every year to practice anew those things that will break our habits of sin and bring us more fully into the life of Christ.

MUSICAL NOTES

Why do we combine Music with spoken prayer in the Liturgy? Or, in other words, WHY DO WE SING?

Music is as universal as language itself. Every Society on earth has its own form of music. Music involves the co-operation of our voices, our bodies, our intellect and the whole range of our human feelings. By singing our worship of God, we join all our powers together to hear and to see HIM.

Because music is this deep response to God and expression of our feelings toward HIM, it continually changes to reflect the various moods of the Liturgical Year.

During the Penitential Season of Lent, we will not sing the ALLELUIA. We will sing the "LORD HAVE MERCY" and the "LAMB OF GOD". Also, we will not sing an opening hymn. A musical background will bring the procession in.

DAYS TO REMEMBER DURING LENT

Re: CYO Athletic Program

1) April 8, 1970....Board to check CYO Diocesan office regarding their policy of whether the students are scholastically responsible when participating in the athletic program.....

2) October 20, 1971....Board has never had an actual policy regarding this, they decided to go with the present procedure of teacher talking to coach, who in turn talks to pupil. If the grades do not come up, then the child can possibly be suspended from the team.

3) November 17, 1971....letter from CYO stating that if a student grade level drops to a point that grade advancement is not possible, he should be given two weeks to improve or become ineligible to play. If a child receives 2 D's or 1 F in his daily grade level, he will receive a probationary warning from teachers in question. At that time the Coach will be notified of the player's position. After two weeks, if the grade has not come up, the player will be dropped from the team.

4) December 15, 1971....all children in sports (grade 5 and 6) to be affected by November 17 ruling

5) November 20, 1974....attachment - Athletic Participation---

the following standards must be met to be eligivle for organized sports.

1) a minimum of a C must be maintained in religion, conduct and effort;
2) a minimum of a C must be maintained in the solid subjects of history, math, science and language arts (English, spelling and literature) averaged together.

A student is disqualified from participation and practice in textra circular sports if he receives an F in any one of the above or 2 D's in any of the above.

The suspension from the sports program will be effective from the day the report card is received by the student and lasts throught that next quarter. The student may be reinstated in the athletic program when he meets at least average character and academic achievement on the next report card.

the principapl. The outline for hiring would be to have the principal along with the pastor interview and judge the applicant, and then present the names and fulfillments before the board. The board would then approve or reject the applicant according to the principal's recommendation. It was noted that Msgr. did not consult the Diocesan Board of Education. Mrs......announced that the constitution the board adopted states that the board has authority to fire and hire teachers and that Msgr. Lester seems to contradict this. Father O'Connor said that the problem arises in distinguishing the difference between policy making and discretionary action. ....pointed out that the board is responsible for the education of the children of St. Henry and that they want the best possible. ....felt that no one except possibly Father is able or qualified as Sister to hire persons for St. Henry School......suggested that the board continue to function as they have been, until we hear from the committee

.....questioned the board as to why a male teacher was told the board would not hire him for the fourth grade. Sister stated that she talked this over with Father and they decided it would not be feasible to hire a male teacher for the lower grades.

.....Motion made and carried that it be a policy of the board to hire any qualified teacher regardless of sex, race or national origin that met with Sister and Father's approval.

9) December 3, 1969.....state law recuires that teachers be informed that they will not be rehired by April and contracts signed in May

10) February 18, 1970.....list of teacher who will be offered contracts for next year 1970-1971

11) March 11, 1970....Mrs. Hamrick mentioned for Science Teacher ...will receive Masters Degree in August and has 2 years teaching experience, her credits and recommendations are very good.

12) April 8, 1970......quieried about hiring of black teachers. Mrs. Pleva receives degree in June and has had practice teaching. To be offered contract.

13) August 12, 1970.....Mrs. Crandall has been employed as a sub for a teacher on vacation......Miss Rose, a licensed and degreed teacher has been hired to replace Miss Pugh.

Re: Athletic Department Co-ordinator

1) June 20, 1973....reported that Mr. Leo Stronczek would be named co-ordinator for the Athletic organizations. He would be responsible for the equipment inventory and make the decision as to what equipment would be purchased in the way of replacement. Mr. Haggenjos suggested that he be reminded to convey information to Sister Anthelma that Mr. Stronczek would be responsible to see that the Athletic Organizations do not exceed their budget. All teachers are to contact Mr. Stronczek with their equipment needs.

2) July 18, 1973.....explained the Athletic fund operation and that the faculty would contact Mr. Stronczek as Athletic Co-ordinator when athletic supplied such as balls, bats, etc., are needed.

Re: Teacher Intention

1) December 12, 1968.....primary one at this time is the contract for teachers for the school year 1969-70. It was decided to give each teacher an intention form, and to have the board check the credentials of teachers at the next executive meeting on January 22, 1969; At the January 22 meeting the board will review teachers' credentials, intention forms and evaluations of a teacher by Sister Anthelma and to see if they do or do not meet requirements if they plan on continuing toward a degree.

2) October 29, 1969....inquired about the letter of intent. It was suggested that it would be beneficial to get them out as early as December or the latest in January.

3) January 13, 1971.....Sister Anthelma showed the members a letter of intent which had been given to the teachers in previous years. Dr. Glassley suggested that these be given out immediately, and seconded by Mr. Young.

4) January 17, 1973....Notice of Intention forms are being sent to all teachers..

5) February 16, 1972....reported that the teachers were given their letters of intent. All teachers plan to come back next year except.....

Printed in U.S.A.

there at least once or twice during the summer months. You give me your telephone number and the next time I get there I will give you a ring if I don't have time to let you know before hand.

My Mother had some correspondence with the James A. McClure that wrote the McClure book (they are both deceased now) and he was also of the opinion that the Moses born 1760 was our "boy". I still have their correspondence.

I am now in the process of finishing up a DAC supplemental on this Nathaniel McClure line also I just received some LDS sheets that names Nathaniel and Mary as the parents of our Moses. If this Nathaniel connection is approved I can go back one or two more generations without any trouble.

Going back to my second paragraph and the "STORY"! Cynthiana, Kentucky is where my Mother found the records of the settlements of the estates of both Moses and Sarah McClure naming several of their children but not all the minor ones. Our Alexander is not named as he would have been only four years old at the time of this father's death and seventeen at the time of the death of his Mother, Sarah. His, Moses's estate was settled in 1810 and hers in 1823. We have never been able to locate just where they were buried. It is possible they did not even have gravemarkers, which is possibly the reason after over a hundred years, their graves have never been found. Whoever wrote the story could be right about the seven miles, I don't know, but my guess would be that it was seven miles north of Cynthiana, if anything. They did own a farm in Harrison County, Ky. which was sold in the settlement of their estates.

Hope I haven't further confused you.

Love,

Ruth

McClure continued

James McClure, brother of William, left a will recorded Aug. 11, 1828. He gives to Jane McQuigg, wife of John McQuigg and daughter of Anthony Logan; sister Jane Logan, wife of Anthony and her daughter, Ruth; to Nancy Logan; to Mary McClure, daughter of John McClure, dec'd; nephew James McClure; Alexande Logan's son, John Logan.

Jane McClure, sister of William, married Anthony Logan and his will recorded June 6, 1817, names his wife, Jane; son, Alexander; son-in-law, Robert Elliott; daughters, Martha, Margaret, Jean, Elizabeth, Nancy, Ruth and Mary Elliott.

These wills give a fairly good record of the McClure and Steele families. John and James Steele were prominent in early Dayton affairs. They were sons of Robert and Agnes (Coulter) Steele of Fayette Co., Ky. James Steele was born Oct. 28, 1778, in Virginia and died at Dayton in 1841. He married Phoebe Peirce. Dr. John Steele was born in Kentucky in 1791 and died at Dayton Oct. 21, 1854. He married Cornelia King.

THE MC CLUER FAMILY

Using many books written by McCluer Family members, marriage licenses, wills, cemetery records, bible records and personal letters to living members, I have compiled a McCluer Family History and Geneaglogical account.

In Following McCluer Ancestors by Leon McCluer (929.2) it states that Andrew McCluer died on his way to Virginia in 1738 and was buried at sea. Andrew was not identified further, except that he was in the McCluer party that landed at Philadelphia, Penna., swore allegiance to the governing group, stated that they had paid their own passaged, owing no man and thus were entitled to land as freeholders. They were granted land in the Virginia Valley of Virginia (western) and appeared in Rockbridge County, Virginia in 1739. They created a settlement at Timber Ridge. They soon spread into Orange and Augusta counties, which were later divided into Botetort, Montgomery and Washington Counties of Virginia.

Burial in Lima, Ohio

Samuel served in Capt. James Coleman's Kentucky Militia during War of 1812 as a private. He was in many militaty actions including Battle of Thames defeating the British. He and several others left Kentucky because "the question of slavery was rearing its ugly head, and he didn't stomach the institution of slavery" so he entered Champaign County, Ohio.

Samuel, with brothers, Thomas and Moses, and Joseph Ward and Aaron Loomis came to Allen County, Ohio in 1825 erecting a log cabin on Hog Creek.

Samuel brought his wife and family to Allen County in 1826. In the History of Allen County, Ohio there is a biographical sketch: " Sam was sober, upright and a Methodist. Their nearest neighbor was 30 miles away. It is said that Samuel found a great lot of wild honey not fit to eat. He made a drink called "ethelgin", which affected one the same way as whiskey. Samuel was listed in the Original Land Entries of Allen County, Ohio at Lima. Samuel settled in Section 23, and Moses in Section 34.

Dear Lorna,

In all due repsect to Ruth Atchison, she is a very interesting McClure correspondent and has furnished me with considerable information on her Samuel H. line, which I do appreciate. I like her very much!

She also sent me a copy of the "STORY", quite some time ago. My reaction then as now - who is "MY", who is "grandmother", who is "grandpa" etc. My main question is who actually wrote the story. If we knew that we would have a better idea where to start figuring generations, As it is we can only guess. I think I can guess fairly accurately but the generations just do not work out right with my guess! There you go again!

However, we can figure geography which does not change. Your check your Kentucky map and I think you will find that seven miles north of Louisville will take you across the Ohio River into southern Indiana. Furthermore, Cynthiana, Ky. is the county seat of Harrison County,Ky. which is away east of Louisville, in fact it is south of Cincinnati, Ohio and a little east yet.

I learned long ago not to swallow everything fed to me when it comes to genealogy. Just because it is in print, or some of the family tells it does not always make it right. I have proven too many things to be wrong for that.

Also, I have never been convinced that the father of our old Moses McClure, was Thomas. I have never found a Thomas of that age with a son Moses of the age of our Moses. If whoever, wrote the story was that mixed up its a little hard for me to swallow much of it.

However I have thought for a long time and my Mother was of the same opinion that our old Moses was the son of Nathaniel and Mary McClure of Augusta Co., Va. They had a son Moses born 1759-60 which would be the right age for our Moses. (See pages 134, 135, 136, 137, 138, 139, 140 and 141 of the McClure Family by James A. McClure, also see Vol. 111 pages 62 & 101 of Chalkleys.

I would guess the Ft. Wayne Library would have copies of Chalkleys books. They ~~xkxx~~ also could have the McClure Book, I am not sure, I guess I never checked ~~so~~ much on the McClures anytime I was there. I try to get

McClure

There were several McClure families in the early Dayton settlement. The first of the name was the 'Widow McClure' with children, James, John, Thomas, Kate and Ann, who came from Cincinnati with the first settlers in 1796. (See Edgar, Pioneer Life in Dayton and Steele, Early Dayton).

Edgar, on p. 33 says, "Mrs. McClure with her three sons, James, John and Thomas and two daughters came to Dayton in the Pirogue (1796). Mrs. McClure's husband had been killed at St. Clair's defeat. The family moved to Honey Creek in Miami County. Thomas afterwards returned to Dayton". In 1799 the family was living at the corner of Mill and Water Streets.

James McClure located in Bethel Township, Miami County; his will recorded Feb. 23, 1830, names wife Nancy;sons, Thomas, William and James; daughters, Eliza, Harriet, Margaret and Sarah. Sarah Married Thornton Ennis, Dec. 28, 1843.

Thomas McClure married Sarah Nealy, Jan. 30, 1812, in Miami County and settled near New Carlisle, Clark County.

Ann McClure, the youngest child, born 1791, married William Concannon, Feb. 23, 1804, in Montgomery County. His will recorded July 24, 1826, in Miami County, names wife Ann; son William; daughters Polly, Sally, Catharine and other children. Family records give the children as, Sarah, William, James, Catharine, Elizabeth, Isaac, Anne, Ellen, Eliza, John, Washington, and Nancy.

After many years of research the marriage of Margaret Mossman and Capt. William McClure has been found in Cumberland County, Pa. in 1787. (See Central Pennsylvania Marriages by Dr. Charles A. Fisher. 'Marriages of some Pennsylvania Soldiers and Patriots of the Revolutionary Period, Part 7, p. 82). "1787, McClure, Capt. William, Cumberland, Margaret Mossman".
Margaret McClure is buried in the old cemetery at New Carlisle, "Margaret McClure, wife of William, died Dec. 3, 1848, age 79yrs.6mo.20da." Other stones -
James W. McClure, died Aug. 1, 1844, age 29yrs.8mo.22da.
Eliza McClure, dau. of T.J. & S.; died Aug. 7, 1839, inf.
Rachel MCClure, dau. of T.J. & S.; died Apr. 10, 1845, inf.

William McClure

One, William McClure from Kentucky, had a prominent part in the affairs of early Dayton. He came with his brothers-in-law, James and Dr. John Steele. In 1807, he was one of the incorporators of the Dayton Acadamy; in 1809 he was a member of the Town Council; on Sept. 18, 1808, he with George W. Smith published the first number of the 'Repertory', a weekly newspaper; treasurer of the First Presbyterian Church, incorporated 1812. His wife was Martha Steele. He died 1813, without issue. His will recorded July 23, 1813, names his wife Martha; property to be divied among his brothers and sisters. The following heirs of William McClure sign; Martha McClure, widow; John McClure, Anthony Logan, James McClure, David McClure and Martha McClure, a sister.

Martha McClure, widow of William, left a will recorded Sept. 1813; names her mother, Agnes Steele; brothers, James, Samuel and John Steele; to Martha and her sister, Jane Logan; to William McClure, son of John McClure; to David Osborne, who has lived in our family; to William McClure Thompson, to William McClure, son of David McClure; my sisters, Nancy Thompson, Sarah Glass, Mary Steele and the daughters of Margaret Moore and Elizabeth Barr, both deceased.

Dear Lorna,

Don't know if I told you or not that I sent supplemental papers in on Nathaniel McClure (1712-1760), wife Mary (-1767) of Virginia to Daughters of American Colonits in September of last year. I just received a card from them this week that they were approved.. So that takes care of that! Hurrah for our side!!!!!

Since these papers are now approved I don't think I will need the LDS papers I was writing to you about. I think I will let them go right now.

. I know this Nathaniel's father was, Halbert so think I will now take him for a "spin". From there on I am not just real sure at the present time, but don't give up on me.

This would make you elligible for Daughters of ~~the~~ American Colonists. All you would have to do is to prove back to where our lines connect which should not be too difficult for you.

Most Sincerely,

Ruth

Ft. Wayne, Ind. 46806

Dear Mrs. Luerring,

Mrs. Ruth Atkinson of Chelsea, Michigan sent me a copy of your letter to her of November 21, 1976.

I would say from your letter that we are cousins of some sort. James Neely McClure and Lucinda (Rumbaugh) McClure are my gt. grandparents. Their daughter Delana married James I. Hartzog, ~~are~~ my grandparents. My Mother was Edna Hartzog who married Alexander H. Woten.

You are from the A. Emiline McClure and Alfred E. Girod line. RIGHT!

My Mother and I started working on family genealogy in the fall of 1939. She worked up till her death in 1954. Since that time I have plodded along by myself.

Mrs. Atkinson has given me a lot of information on her line. I am hoping someday, GOD WILLING! to put out a booklet on the McClures and Rumbaughs of Allen, Paulding and Van Wert counties, Ohio.

I don't think I have much of anything on the Girod line. Would you like to contribute!

Most Sincerely,

Ruth Woten Rumbaugh
